

How much does a secret social sharing app like Whisper cost?

We offer affordable app development and customization. There are a lot of factors that affect the pricing of the app, for example, customization, the platform on which the app is to be built, etc. On an average, anonymous confessional iOS apps like Whisper and Secret would take around "378 hours", while Whisper App for Android will take around "453.6 hours". And, Web Services (API) development will take around 185 hours. We have ventured to set forth a detailed analysis and estimation for an app like Whisper.

Deliverables	Description	Estimated Man Hours				
		Development	Graphics Design	QC/Testing	Project Management	TOTAL
(I) IOS Application	1. Business Analysis & Communication	18	2.7	2.7	1.8	25.2
	2. Base Code & Architecture	8	1.2	1.2	0.8	11.2
	3. Features:
